Hi Linda & John,  
Do either of you have a more up-to-date version of the PCB Estimation Tool that you can send to me? The version I have dates back to 9/18/09. Thanks! -Amina

Amina:

You can share the entire tool. We are distributing to the public upon request

Thanks for the update. Sounds like the work assignment was useful

Jeff

**Subject:** PCB Estimation Tool and the PCB Literature Search

Hi Jeff,

In terms of the ICF Task to conduct the PCB Estimation Tool Literature Search, the exercise is proving worthwhile as we've collected new and additional relevant studies that were not identified in other (i.e. OPPT and NCEA) searches. We will soon have the full-text documents in hand so we are beginning to focus on the data organizing portion of the task. Without sharing the tool itself, I plan on sharing some of the Tool's inputs and outputs to give ICF a better picture of how to organize the data. If there are any problems with this please let me know by mid-morning, today.

-Amina
